

APPLICATION INFORMATION—JULY 12-14, 2024

The Berea Craft Festival has been at the heart of Kentucky Art for 43 years! This unique setting at Berea College's Indian Fort Theater provides a beautiful unique wooded setting that perfectly blends with over 100 talented artists.

Dates for this year's event are Friday, Saturday, and Sunday, July 12, 13, & 14. This is a juried show and high quality craftsmanship and design, originality, and professionalism are of utmost importance. All work must be handmade by the applicant. Decorated purchased items, reproductions, items made from kits, and commercial patterns are not acceptable.

To be juried, you must submit five digital images of your work, one of which should be a shot of your booth. You may email the five images or mail a disc. Please clearly identify each. Images of accepted work may be used for publicity purposes. A jurying fee of \$25 should be included with the attached application as well as personal biography and description of your work.

Jurying is done bi-weekly January—May with applications considered in the order received. When a medium category is filled, it is then closed. It is possible to be placed on a waiting list for closed categories.

If your application is accepted by the jurying committee, you will be notified to complete more information and return the booth deposit. The total booth fee is \$300 for a 12x12 space, with \$150 nonrefundable deposit due with the registration form you could receive with your acceptance letter. The balance can be paid any time, but must be paid in full before June 21. Please make checks payable to: Berea Craft Festival and mail to: Berea Craft Festival, 212 Chestnut St. Berea, KY 40403.

The Berea Craft Festival is an OUTDOOR show in a wooded area. You must provide your own attractive tent and must be prepared for inclement weather. While electricity MAY be available for some booths, it is beyond our control and **we cannot guarantee it.**

Because of the space constraints, we must strictly limit motor homes and extra large vehicles on the festival grounds. Please come prepared to dolly your work in and out if asked to do so because of vehicle size. Please note that Berea College has banned smoking on festival grounds.

With all that being said, this is a pleasant, fun show! We have good food, excellent entertainment, and great crowds! We do provide extensive promotion, night security, and get great media coverage.

Hope to hear from you soon!

The Berea Craft Festival Team
