

Dear Prospective Food Vendor ,

Thank you so much for your interest in the Berea Craft Festival! We pride ourselves on creating the best experience to our thousands of visitors each year, and providing great food is a big part of that. Due to the increase of interest in becoming a food vendor for this show, we are asking that you provide some basic information that can help us understand what you offer. The cost of setup is \$300 per vendor and can be paid after acceptance to the festival via check to the Berea Craft Festival at **212 Chestnut Street, Berea KY 40403**. If you have any questions, please feel free to reach out and we will be of assistance however we can.

Thank You,

The Berea Craft Festival Team
